What about aerial photos/video?

Pets need to be out of the yard - the drone can be frightening and the operators need access to the yard. Appointments are usually 1 hour on site.

What about sunset/twilight?

Be sure all landscape lights are on by sunset (*check timers!*). Pool lights colors: white is best, but fun **colors** are OK (*not yellow/green!*)

- ☐ Open/tie-back all curtains and raise blinds or open straight across (try to be consistent). **Turn on all lights, turn off all fans!**
